## Modicon Momentum - busbar 2 rows - spring type terminals

170XTS00801

⚠ Discontinued on: 07 Aug 2023

Price: 2,191.91 ZAR

⚠ Discontinued

### Main

|                                       |                                                                                                   |
|---------------------------------------|---------------------------------------------------------------------------------------------------|
| Range Of Product                      | Modicon Momentum automation platform                                                              |
| Accessory / Separate Part Designation | Busbar 2 rows                                                                                     |
| Accessory / Separate Part Type        | Busbar                                                                                            |
| Accessory / Separate Part Categor     | Connection accessories                                                                            |
| Accessory / Separate Part Destination | Analog I/O base<br>Discrete I/O base                                                              |
| Product Specific Application          | Serves as protective distribution connector<br>Provides a common connection for the field devices |
| Connections - Terminals               | Spring type terminals                                                                             |
| Number Of Horizontal Rows             | 2                                                                                                 |

### Packing Units

|                              |          |
|------------------------------|----------|
| Unit Type Of Package 1       | PCE      |
| Number Of Units In Package 1 | 1        |
| Package 1 Height             | 3.05 cm  |
| Package 1 Width              | 2.54 cm  |
| Package 1 Length             | 10.41 cm |
| Package 1 Weight             | 0.07 kg  |

### Contractual warranty

|          |           |
|----------|-----------|
| Warranty | 18 months |
|----------|-----------|

Excluding VAT and subject to change. Please check with your local distributor through "Where to buy"

## Sustainability

**Green Premium™ label** is Schneider Electric’s commitment to delivering products with best-in-class environmental performance. Green Premium promises compliance with the latest regulations, transparency on environmental impacts, as well as circular and low-CO<sub>2</sub> products.

**Guide to assessing product sustainability** is a white paper that clarifies global eco-label standards and how to interpret environmental declarations.
