

# Product datasheet

Specifications

standard motor mechanism module (MCH). drawout ComPact NS630b to NS1600. 220/240 VAC 50/60 Hz

33828

Price: 18,956.24 ZAR

## Main

|                                     |                                              |
|-------------------------------------|----------------------------------------------|
| Device Short Name                   | MCH                                          |
| Product Or Component Type           | Motor mechanism                              |
| Device Application                  | Automatic spring charging                    |
| Range Compatibility                 | ComPacT new generation ComPact NS630b...1600 |
| Control Type                        | Standard                                     |
| [Uc] Control Circuit Voltage        | 220...240 V AC 50/60 Hz                      |
| Circuit Breaker Mounting Mode       | Drawout                                      |
| Circuit Breaker Frame Rated Current | 1600 A<br>630 A<br>1250 A<br>1000 A<br>800 A |

## Complementary

|                                 |                                                |
|---------------------------------|------------------------------------------------|
| Control Signal Type             | Maintained Impulse                             |
| Circuit Breaker Response Time   | 60 ms +/- 10 ms open<br>60 ms +/- 10 ms closed |
| Maximum Operating Frequency     | <= 3 cycles per minute                         |
| Maximum Power Consumption In Va | 180 VA                                         |

## Packing Units

|                              |          |
|------------------------------|----------|
| Unit Type Of Package 1       | PCE      |
| Number Of Units In Package 1 | 1        |
| Package 1 Height             | 6.2 cm   |
| Package 1 Width              | 12.5 cm  |
| Package 1 Length             | 18.0 cm  |
| Package 1 Weight             | 1.224 kg |

## Contractual warranty

|          |           |
|----------|-----------|
| Warranty | 18 months |
|----------|-----------|

Excluding VAT and subject to change. Please check with your local distributor through "Where to buy"

Sustainability

**Green Premium™ label** is Schneider Electric’s commitment to delivering products with best-in-class environmental performance. Green Premium promises compliance with the latest regulations, transparency on environmental impacts, as well as circular and low-CO<sub>2</sub> products.

**Guide to assessing product sustainability** is a white paper that clarifies global eco-label standards and how to interpret environmental declarations.
