## EcoStruxure Geo SCADA Expert Upgrade. 250000 Point To 500000 Point Server

TBUCUPG-250KS500K

Price: 729,780.83 ZAR

### Main

|                              |                                                                                                                                                                        |
|------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Range Of Product             | EcoStruxure Geo SCADA Expert                                                                                                                                           |
| Product Or Component Type    | License upgrade                                                                                                                                                        |
| Format                       | Digital                                                                                                                                                                |
| Type Of License              | Server license upgrade                                                                                                                                                 |
| Variant                      | Buildtime<br>Runtime                                                                                                                                                   |
| Number Of Tags               | 500000                                                                                                                                                                 |
| Condition Of Use             | Requires a existing < 250000 point cummulative server license                                                                                                          |
| Operating System Requirement | Windows 10 64 bit<br>Windows 8.1 64 bit<br>Windows Server 2012 R2<br>Windows Server 2016 64-bit<br>Windows Server 2019<br>Windows Server 2022<br>Windows 11<br>Mac iOS |
| Additional Information       | 250000 point upgrade                                                                                                                                                   |
| User Language                | English                                                                                                                                                                |

### Complementary

|                   |                                                                                                                                                                                                                                                                                                                                                                                                 |

### Packing Units

|                              |        |
|------------------------------|--------|
| Unit Type Of Package 1       | PCE    |
| Number Of Units In Package 1 | 1      |
| Package 1 Height             | 1.5 cm |
| Package 1 Width              | 19 cm  |

Excluding VAT and subject to change. Please check with your local distributor through "Where to buy"
