## PV Connector Set

Item	Model No	Picture	Specification
TB006	Criming tool kit		<p><b>Crimping Tool</b></p> <p>Material: 45 # steel            Available times: 5000 times            Size (full length): 270mm            Weight: 740g            For Solar cable size: 14 / 12 / 10AWG ( 2.5 / 4 / 6 mm<sup>2</sup>)            For solar connector, MALE and FEMALE pins            Emergency release switch to release cable            High precision ratchet mechanism for complete crimps</p>
			<p><b>Wire stripper</b></p> <p>Material: PVC (handle material), zinc alloy            Available times: 5000 times            Size (full length): 170mm            Weight: 377g            For Solar cable size: 14 / 12 / 10AWG ( 2.5 / 4 / 6 mm<sup>2</sup>)            For solar connector, MALE and FEMALE pins            Emergency release switch to release cable            High precision ratchet mechanism for complete crimps</p>
			<p><b>Wire cutters</b></p> <p>Material: PVC 55 # steel            Available times: 5000 times            Size (full length): 200mm            Weight: 223g            For Solar cable size: 14 / 12 / 10AWG ( 2.5 / 4 / 6 mm<sup>2</sup>)            For solar connector, MALE and FEMALE pins            Emergency release switch to release cable            High precision ratchet mechanism for complete crimps</p>
			<p><b>Spanner</b></p> <p>Material: PC            Available times: under normal circumstances (10,000 times)            Size (full length): 130mm            Weight: 20g            For Solar MC4 cable connector size: 14 / 12 / 10AWG ( 2.5 / 4 / 6 mm<sup>2</sup>)            For solar connector, MALE and FEMALE pins            Emergency release switch to release cable            High precision ratchet mechanism for complete crimps</p>
